

WHY CHOOSE US?

- 01** We prioritize your child's actual needs. Learning is personalized to ensure each child fulfills their potential
- 02** Our focus is not merely on academic strengths, we strive to identify and build on creative talents
- 03** Our teachers work collaboratively with parents, involving them at each step of their child's learning, development and care

St. Joseph's Schools

2022/2023

OUR SPECIAL EDUCATION PROGRAM

St. Joseph's special education program caters to all children with disabilities from ages 3-14 years.

Our philosophy is founded on a desire to make a difference and to challenge the way all members of our community think about disabilities.

Our aim is to enable every young person to flourish by encouraging and building on their unique strengths and interests.

OUR TEAM & SERVICES

At our school, we have several caregivers: special education teachers, OT therapists, ABA therapists and Speech & Language Therapists.

Our services include: special education, OT therapy, Speech & Language therapy, ABA therapy and Aquatic therapy.

We also provide several extra-curricular activities to supplement pre-vocational and academic learning.
